

Advertising With UpwardPost.com

 **Competitive Pricing**

 **High Visibility**

 **Satisfaction Guaranteed**

About UpwardPost:

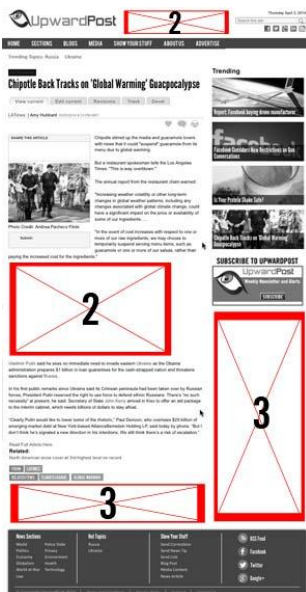

UpwardPost.com is a daily news site that aggregates mainstream, alternative and independent news. With original reporting, guest contributors from around the world, and a strong social media presence, UpwardPost.com is the ultimate one-stop-spot for timely news and cutting-edge information.

Advertising with UpwardPost:

If you would like to share something that you truly believe in and are passionate about, we would love to introduce your product or service to our amazing audience! You will be supporting independent media and entrepreneurship while generating a huge, eager audience that is interested in your stuff!

UpwardPost has divided advertising into three pricing levels. Each of these pricing levels can be seen on our main page formats. There is the front page, articles pages and the primary subpages. You can view each one of these below (click to enlarge). We offer competitive pricing and are willing to negotiate to get you the best bang for your buck.
